PROFESSIONAL SUMMARY

Frontend Engineer with 3+ years of experience in React, React Native and Vue.js. Focused on UI development, user flows and maintainable, modular component design.

PROFESSIONAL EXPERIENCE

Frontend Engineer — Oppers | Jun 2024 – Now

- Developed interfaces and end-to-end user flows using React.
- Collaborated with backend teams to integrate REST APIs into the frontend.
- Created modular and maintainable components aligned with product requirements.
- Worked closely with design teams to translate Figma prototypes into production-ready UI.
- Contributed to the initial architecture and development of the mobile app using React Native and Expo.

Team Lead / Frontend Developer — Viseven | Jan 2022 – Mar 2024 | Remote

- Led a small frontend team after internal promotion to Team Lead (Sep 2022).
- Coordinated team workflows, code reviews and implementation standards.
- Developed interfaces for marketing and pharmaceutical-related platforms using Vue.js.
- Performed technical evaluation and estimation of requirements.
- Implemented internal improvements to development processes and team coordination.

Frontend Developer — Freelance | 2022 – Now

- Built interfaces and reusable components using React.
- Integrated APIs and maintained client web applications.
- Worked on small UI enhancements and design-to-code implementations.

EDUCATION

Bachelor's Degree in Psychology (incomplete)
University of Buenos Aires — 2019–2023
